

## Equifood Team B - **Team Agreement**

### **As a team we agree to...**

- be honest
- be punctual (be on time and end on time)
- communicate with the entire team before implementing changes
- respect contributions from all team members
- be accountable
- open to receiving feedback and acting on said feedback
- communicate individual schedule
- aim to mark existing stories as “done” first before moving on to the next ones
- regularly update team on progress
- do not mind asking for help from other team members
- make sure to complete code reviews before submitting deliverables
- each member should demonstrate equal effort
- clearly define stories with realistic goals
